The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Admiralty and the Ministry of Transport and Civil Aviation lay down the following conditions relative to the wearing of the Blue Ensign :—

The Blue Ensign *is not to be worn if*—

(*a*) from any circumstances, the Officer to whom the Admiralty Warrant was issued is not in command of the ship ;

(*b*) the number of persons qualifying as "reservists" (see *Note* below), in addition to the Commanding Officer, is less than the following requirement :—

(i) four reservists, or

(ii) three reservists, if two departments of the deck, engine room or catering departments are wholly manned by ratings ineligible on grounds of nationality or citizenship to join the Naval Reserves, or

(iii) two reservists, if all three of the departments are so manned,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Admiralty Warrant or otherwise not complying with the foregoing regulations.

Note.—"Reservists" can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy, men belonging to the Royal Fleet Reserve, and Royal Naval pensioners.
